

2018 Honey Bee Education Days at MDAR State Apiaries

Join State the MDAR Apiary Program Team to get a tour of live working honey bee colonies and an educational demonstration. These **SATURDAY, 10AM-NOON** events are open to the public, but will focus on the topics of interest to beekeepers. Participants must bring protective clothing (i.e. bee suit and/or bee veil with long pants and closed toed shoes) as it will not be provided and is required to enter the apiaries. Note that the same program will be offered on each date and time at both apiary locations. Alternate dates will be provided in the event of inclement weather.
